PG Calendar for 2019-2020

The PG calendar was designed to introduce students to the 2-term college semester while also prioritizing access to MBS classes. In order to get the most out of the PG program, we are happy to help you plan travel. We want to optimize each student's experience.

PG Vacation days are shaded in [blue](#).

Travel days are marked with an asterisk * and are in [purple](#), with PG students departing after the completion of all college courses and exams. Travel days are flexible to allow PG students time to resume MBS classes and to prep for college courses.
